

ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison detre of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension. Set up in 1962, ni-msme has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, ni-msme is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices. The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,393 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967 and trained 9,450 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects. The management of the Institute rests with the Governing Council appointed by the Government of India. The governing body provides the necessary directions to the Executive Committee, accordingly the resident Director General implements the activities

Welcome to ni-msme

ni-msme, since its inception in 1960 by the Government of India, has taken gigantic strides to become the premier institution for the promotion, development and modernization of the SME sector. An autonomous arm of the Ministry of Micro, Small and Medium Enterprises (MSMEs), the Institute strives to achieve its avowed objectives through a gamut of operations ranging from training, consultancy, research and education, to extension and information services.

A Centre of Excellence

*It was in 1984 that the UNIDO had recognized SIET as an institute of meritorious performance under its Centers of Excellence Scheme to extend aid. Subsequently, it was also accorded national status and SIET Institute became nisiet in the same year. To cope with the precut of globalization, the Government of India has enacted Micro, Small, Medium Enterprises Development (MSMED) Bill in the Parliament which was commenced on 2nd October 2006. Accordingly, the institute also has emerged as an apex organisation by changing its structure as well as name as **ni-msme** from 11th April 2007.*

Need For Entrepreneurship

India needs entrepreneurs for two reasons

- To capitalize on new opportunities
- To create wealth and new jobs

The economics of many developing countries are in state of transition as they strive to shift from a subsistence oriented and heavily regulated environment to an outward looking market driven economy.

This transition can be greatly assisted by emergence of large number of small-scale and rural enterprises in all spheres of economic activity, which, in turn, require the development of entrepreneurial skill. Despite importance of entrepreneurship for economic and social systematic Observation of the process through which entrepreneurship emerges and Sustains itself.

What Educational Institutions can do?

Educational institutions can address today's changing business landscape, Particular in emerging markets and build 'Centres of Entrepreneurial Excellence' In institute that will actively assist entrepreneurs.

The educational institutions have an extraordinary talent pool With virtually limitless potential be become entrepreneurs. The educational Institutions should work to create the rich environment to develop business Builders.
