

Food processing ESDP concludes

The off-campus ESDP in food processing conducted at Alwal, Hyderabad reached completion, marked by organising a formal valedictory function on 29th April 2015. The SEE of **ni-msme** conducted this programme with the support of Sri Saraswathi Mahila Gruh Udyog by way of local coordination.

Mrs. V. Swapna of **ni-msme**, Programme Director, during her address, outlined the activities of the Institute and the significance of ESDPs. She advised the trainees to use the knowledge gained through this training to build their career by self-employment. Highlighting the various schemes of the Ministry of MSME that support budding entrepreneurs, she advised the participants to avail the assistance of the schemes. She complimented the participants on their successful completion of the programme and suggested that they be in touch with **ni-msme** and inform about their progress.

Earlier, Mr. D. Prakash Vyas, CEO, SSMGU welcomed the gathering. Mrs. Prabha Vyas called on the participants to make proper use of the training by starting their self-employment activity on a micro level. She narrated instances of successful entrepreneurs who were formerly trainees of **ni-msme** ESDPs, and who started business at a micro level and over a period grew to be successful and are running their business on a large scale.

Some of the trainees shared their experience of the programme. The event concluded with vote of thanks by Mrs. Sunita Tiwari, Faculty, SSMGU, followed by the distribution of programme completion certificates to all the participants.
