

ESDPs Valediction at ni-msme campus

ESDPs in 14 trades of IT streams, organised in 47 batches in all, were concluded through a campus valediction on the 22nd. The trades were: multimedia (2 batches), dot net (4), web designing (5), multimedia and animation (5), SQL & DBA (2), CAD with pro E (1), core Java (2), advanced Java (1), hardware and networking (5), PC maintenance (8), MCP-CCNA (3), CCNA routing (4), MS centred software engineering (3), and CAD-CAM (1).

The Institute conducted these ESDPs with the support of SN Tech Solutions, Ventech Solutions, ECIL and Yamini Soft Tech. About 300 trainees representing the various batches had participated in the function, along with Dr. G. U. K. Rao, Director-SED; Mr. Dibyendu Choudhury, SEIC I/c; Dr. G. P. Vallabh Reddy, CAO and other faculty colleagues.

Mr. Prakash Babu, AGM of SBI was the chief guest of the event and Mr. Anil Kumar, Dy. Director, DIC-Balanagar was the “Guest of Honor”. They spoke about the importance of skill development training and the need for quality matching that of agencies like NSQF, NSDA and NSDC so as to make standardisation an inherent aspect.
