**ni-msme - the premier Institute**

**ni-msme**, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison d’être of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension.

Set up in 1962, **ni-msme** has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute’s expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, **ni-msme** is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,393 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967 and trained 9,133 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects.

The management of the Institute rests with the Governing Council appointed by the Government of India. The governing body provides the necessary directions to the Executive Committee, accordingly the **Director General** implements the activities.

**Two Days Online Training Program**

**GMP Compliances in Pharma Industry**

24 - 25 June 2021

National Institute for Micro, Small and Medium Enterprises
(An organization of the Ministry of MSME, Govt. of India)
(An ISO 9001-2008 Organization)
Yousufguda, Hyderabad – 500 045
Online Training Programme on GMP Compliances in Pharma Industry

Good Manufacturing Practice (GMP) is a quality control system which makes sure that every pharmaceutical product is adequately tested and dosed for optimal effectiveness. Goods manufacturing practice are a set of measures that aim to provide guidance for manufacturing testing and quality assurance in order to ensure that drug product is safe for human consumption. Quality Control is that part of Good Manufacturing Practice which is concerned with sampling, specifications, testing, documentation and release procedures which ensures quality. Quality Assurance covers all matters, which individually or collectively influence the quality of a product. Thus, GMP makes sure that a company follows a set of rules and regulations, producing something that meets all the necessary quality requirements.

For whom

The programme is designed for the staff of the pharmaceutical industry having no or little experience with the current GMP requirements. This includes both new entrees of Pharmaceutical Industry and experienced colleagues who work for the first time in a GMP-regulated environment.

Objectives

The objective of GMP training is that every staff member in pharmaceutical industry has to be familiar with the basic GMP requirements and to encourage them to perform their tasks in accordance with established procedures and GMP expectations.
