

Valedictory of skill training

A formal valediction of five off-campus ESDPs in the trades of Electronic Mechanic, UPS Inverter Repair and Mobile Repair General was organised on 29th April 2015 at Hotel Raghavendra AC Conference Hall, Dilsuk Nagar, Hyderabad. The programmes were coordinated with the support of SR Communications.

Programme Director Dr. Upendra Kumar Maurya of SEE of **ni-msme**; Mr. Kamalakar Raju, Mr. Ravi and Mr. Mohd. Azam, Faculty from SR communications had graced the function.

Mr. Sunkari Pradeep, Director, SR Communications welcomed the trainees and gave a short report on the programmes conducted. The programme coordinators, faculty and trainees of different trades shared their experiences. The participants expressed satisfaction with the training, and thanked the Ministry of MSME and **ni-msme** for their support.

Dr. Maurya in his address touched upon the issues concerning wage employment such as portals for MSME jobs, preparation for job interview and e-resources for the participants. He suggested that the participants inclined to self-employment understand the fundamentals of demand and supply, Government policies and supporting schemes. He advised them to look up smallb.in portal for further information, and the Ministry of MSME facebook page and website for updates on schemes. Further, he asked them to be regular at the follow-up meetings. Mr. Pradeep assured them of **ni-msme** support and asked them to keep in touch with their faculty regarding their requirements.

All the speakers called upon the participants to make best use of the training provided by **ni-msme** and take up job or self-employment. Programme completion certificates were distributed to the 125 trainees who were present till the end of the function. The event concluded with vote of thanks by Mr. Pradeep.
