

**Training Programme on
Environmental Impact Assessment (EIA) – Process & Procedures
(As per Ministry of Environment, Forest & Climate Change Guidelines)
13 – 15 July 2022**

Introduction:

Development through the use of technologies is required to improve the standard of living. In view of the fact that Development projects are interfering with the environment, it is essential, before starting a major project, to assess the present environment scenario and, at the same time, it is necessary to assess the impact of the same project on the environment during its operation.

Environmental concerns have to be addressed rationally before any project is grounded. The Environmental Impact Assessment (EIA) is an effort to anticipate measure and weigh the socio-economic and biophysical changes that may result from a proposed project EIA is a formal study process used to predict environmental risk and assist decision-makers in considering the proposed project's environmental costs and benefits. When the benefits sufficiently exceed the costs, the project can be viewed as environmentally justified. Based on EIA, the regulatory measures can be identified and the roles of concerned agencies defined for achieving more efficient environmental management.

The objectives of EIA include prediction of the environmental impact of projects, finding ways and means to reduce adverse impacts, shaping the project to suit the local environment, and presenting the predictions and options to the decision-makers. MoEF, Govt. of India, has made it mandatory to conduct EIA for all developmental projects.

With the above issues in focus, the **National Institute of Micro Small and Medium Enterprise (ni-msme)** is organizing a three-day Training Programme on “**Environmental Impact Assessment (EIA) - Process & Procedures as per Ministry of Environment, Forest & Climate Change Guidelines**” scheduled on **13 to 15 July 2022**.

Objective:

The objective of this Programme is to update the knowledge of the participants on the Environmental Impact Assessment process and procedures as per the Ministry of Environment, Forest & Climate Change Guidelines.

Course Coverage:

This program is designed to cover broadly the following topics.

- Overview of Environmental Impact Assessment (EIA)
- EIA in the Indian scenario
- MoEF notification and guidelines for EIA
 - National Environmental Policy 2006
 - Scoping exercise for EIA
- EIA Process and Procedures
- Forest Clearance Issues

- Risk Analysis for EIA
- Environmental Management Plan
- Verification of EIA by Environmental Audits
- Environmental Clearance Process
- R&R Issues (Social & Technical), Social Impact Assessment (SIA)
- Case Studies and Group Discussions

Methodology:

Methodology of the program includes Classroom Sessions with Lectures/discussions, audio-visual aid; benchmarked video shows, Chalk & Talk sessions, Group Discussions, Case Studies, sharing of experiences, etc. All the sessions will be interactive, demanding active participation from all the participants.

Target Participants:

This course is useful for engineers and managers working in the areas of project formulation Including Environment and Forest clearances in Public and Private Sectors, Government Departments (undertaking Development Projects), Regulatory Boards, Consultancy firms, R&D Institutions, NGOs, etc.

Learning Outcome:

After attending this programme, the participant will be able to

- Understand the process and procedures of EIA clearance.
- Study and analyze the environmental impacts of proposed developmental projects.
- Prepare, verify, and evaluate EIA Reports.

Faculty:

Apart from core Internal Faculty, Experienced Professionals associated with the preparation of EIA And EMP and clearances from MoEF; CPCB, Field Experts, EIA consultants, and subject Specialists will be invited as Resource Persons.

Program Venue, Dates & Timings:

Venue: Lecture Hall, ni-msme campus, Yousufguda – Hyderabad

Dates: 13 - 15 July 2022

Timings:

On the first day, Registration will commence at 09.30 hrs. On all other days, the program timings will be from 09.30 – 17.15 hrs with breaks in between for tea break and lunch break.

Course Fee:

Rs. 10,000/- Residential Fee, and Rs. 8,000/- for the Non-Residential Programme fee per participant. **(GST Included)** The fee includes Course Material, Training kit, twin-sharing Accommodation as per availability, breakfast, lunch, dinner, tea/coffee, and snacks during the actual days of the Training Programme.

To register manually, please send your nominations giving details of Name, Designation, Contact Address, E-mail Address, Mobile Numbers, Telephone and Fax Number of the participant along with the details of payment of fee, in the form of a Demand Draft (D.D) in favor of “**National Institute for Micro Small and Medium Enterprises**” payable at **Hyderabad**.

Certificate:

A certificate of participation will be awarded to each participant at the conclusion of the Programme.

Note: Due to any reason if any nominee is unable to attend the program, a substitute will be permitted, as the fee once paid is not refundable

National Institute for MSME (ni-msme) - The Premier Institute

An organization of Ministry of MSME, Govt. of India & ISO 9001:2015 Certified

www.nimsme.org

National Institute for MSME (ni-msme), a pioneer institute under the aegis of the Ministry of MSME, Govt. of India is playing a major role in the field of Entrepreneurship and Skill Development for providing a pro-business environment to foster the progress of MSMEs towards success and prosperity. The mandate of **ni-msme** is to assist the Government in formulating policies for the development of MSMEs.

ni-msme provides a host of services like training, research, consultancy, information, education, and extension for Union/State Governments and all MSME stakeholders including practicing & potential entrepreneurs. Set up in 1962, **ni-msme** has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling other developing countries to get the benefit from the Institute's facilities and expertise. The Institute is associated with prestigious world bodies such as UNIDO, UNDP, DCAC, UNESCO, ILO, CFTC, UNICEF, AARDO, and GIZ. **ni-msme's** intellectual activities are pursued by its four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE), and School of Enterprise Information & Communication (SEIC).

ni-msme has established theme-based Centers of Excellence viz., National Resource Centre for Cluster Development (NRCD) to help MSMEs through the Cluster Development Approach. NRCD has intervened in the development of more than 150 clusters. The institute is implementing around 50 Rural/Artisan/Industry clusters across the nation and also supporting KVIC/Coir Board/NBCFDC/NSFDC. It has supported various State Governments/UTs for the development of Handloom/Handicraft/Agro-Food Processing/Textile clusters. Intellectual Property Facilitation Centre (IPFC) provides IP advisory services to Research & Academic Institutions, Clusters, SMEs, startups, and Individual Innovators. Over 150 SMEs & Start-ups got benefited from IP registrations such as Trademarks, Patents, and Industrial Designs. Goods & Services Tax Cell (GSTC) provides GST registrations and tax compliances. Entrepreneur Development Cell (EDC), Livelihood Business Incubator (LBI), and Start-up Incubation Center (StIC) provide mentoring and handholding services to start-ups/entrepreneurs. Small Enterprises National Documentation Centre (SENDOC) accumulates and disseminates information that helps entrepreneurs and stakeholders in understanding the intricacies of the business.

The Institute has been publishing Small Enterprise Development and Management Extension (SEDME) Journal since 1974 in the domain of small enterprises, attracting contributors and users not only from every corner of the country but also from other developing as well as developed nations. Journal of Innovation, Entrepreneurship, Management and Skill Development (JIEMS) is an online platform that publishes quality research with its open access policy and Pubtech services.

The Institute has trained 5,48,815 participants by organizing 16,198 programs for Officials from various Ministries of Govt. of India and State Governments. **ni-msme** has also imparted skill training to 1,78,443 educated unemployed youth by conducting 6096 Entrepreneurship & Skill Development Programmes (ESDPs). The Institute is implementing the ITEC Scheme of the Ministry of External Affairs, Govt. of India since 1967 and trained more than 10,600 International Executives representing 145 developing countries. **ni-msme** has also completed more than 949 research and consultancy projects. The management of **ni-msme** rests with the Governing Council (GC) appointed by Govt. of India. Shri Narayan Tatu Rane Ji, Hon'ble Union Minister for MSME, Govt. of India is the Chairman of GC. Shri Bhanu Pratap Singh Verma Ji, Hon'ble Minister of State (MoS) for MSME is Co-Chairman of GC. Shri B.B. Swain, IAS, Secretary, MoMSME, Govt. of India is Vice Chairman of the GC and Chairman of the Executive Committee. Ms. Mercy Epao is the Joint Secretary (SME), MoMSME, Govt. of India and Dr. S. Glory Swarupa is the Director General of the Institute.
